Is there anything on Earth that could be more entertaining and amusing than a new annual starring the Mr Men and Little Misses?

No, not really, at least I don't think so, unless perhaps you count one of those things that I saw on TV once. But, to make a long story short ... well I guess I have to say no, because if you think about it, reading is lots ...

Say Hello to the Mr Men

Mr Grumpy
grumbles and moans
and complains about
everything. All the time.

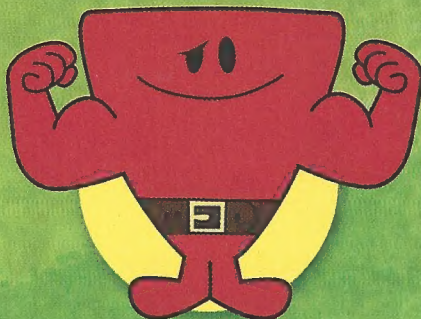

Mr Stubborn
likes things done
his way. He is never
wrong. Ever.

Mr Lazy
finds everything tiring,
even sleeping! His sofa
is his best friend.

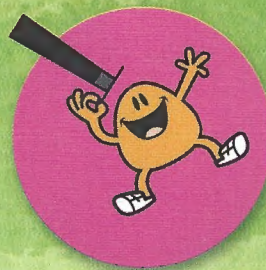

Mr Messy
likes to be messy,
not dressy. He loves
clutter and chaos.

Mr Strong
has muscles on his
muscles, and his head can
be used as a helipad ...

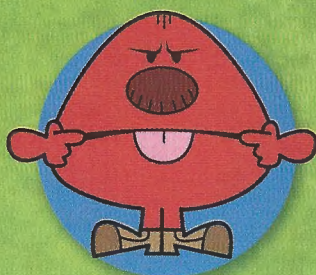

Mr Happy
thinks life is wonderful.
Every second, every
minute, every hour of it.

Mr Small
wears a hat that's almost
as tall as he is. His best
(big) friend is Mr Nosey.

Mr Nosey
cannot resist sticking
his nose into other
people's business.

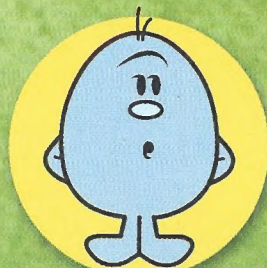

Mr Rude
is rude to
everyone - even
his best friends.

Mr Picky
is very fussy. He likes a
place for everything, and
everything in its place.

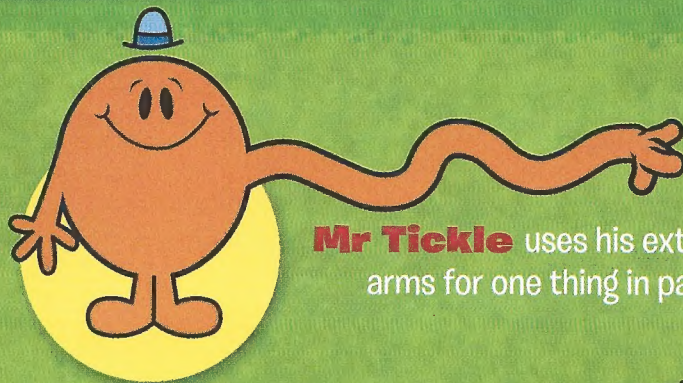

Mr Noisy
walks loudly, talks loudly,
and plays drums loudly.
He makes a LOT of noise!

Mr Quiet
hates noise. It's a pity
he lives next door
to Mr Noisy ...

Which of the Mr Men is your favourite?
Draw his picture, and write your name on the line.

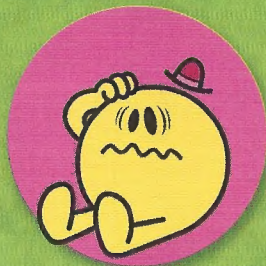

by _____

Mr Tickle uses his extraordinarily **l-o-n-g** arms for one thing in particular ... tickling!

Mr Nervous
is a bag of nerves.
Understandable, as his worst
fears usually do come true.

Mr Bounce
is a bouncy yellow
ball who just can't
keep still.

Mr Scatterbrain
would forget his head
if it was loose - which
it may well be.

Mr Bump
is always bumping into
things, which is why he's
covered in bandages.

Hello, Little Misses

Little Miss Daredevil

is brave, sporty -
and very daring!

Little Miss Scary

could scare the wig
off a bald werewolf!

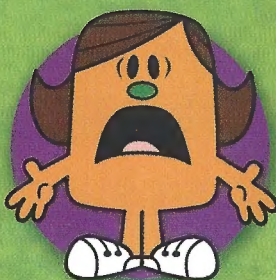

Little Miss Whoops

is a careless, clumsy,
walking disaster area.

Little Miss Sunshine

has a song in her
heart, a smile on her
face - and very little
in her head ...

Little Miss Calamity

walks around under a big
black cloud, waiting for
disaster to happen.

Little Miss Helpful

tries to help, but
always makes things
worse than they are.

Little Miss Naughty

loves playing tricks,
especially on poor
Mr Nervous.

Little Miss Chatterbox

never stops talking.
She even chats to her
house plants.

Rainy Day

Ah, the rain. Why is it that people so dislike it? Without it, we wouldn't have puddles to play in. It takes a good rain shower to wash clean our buildings and streets, and to refresh a certain someone who's too lazy to turn on his tap ...

Mr Nervous was worried when Mr Rude sailed away in his Ark.

Which piece is missing from the jigsaw picture?

Oh dear, oh dear, wait for me!

Answer: piece b is missing.

MR. STUBBORN

Plans a Picnic

Hello, Mr Stubborn.
What are you
doing here?

Did we or did we not plan
a picnic for today,
Mr Bump?

Yes, but it's raining.
Not the best day for
a picnic!

Hmmph. Nothing wrong with this day.
Get your things.

Oh, I don't know.
I've got a cold!

Then you need some fresh air.
Let's go.

Don't you want to wait until we're
not ankle deep in water?

I won't change my mind.
That looks like a nice place for a picnic.

That patch of mud?

Hmmph. Lay out the
picnic blanket.

Squelch!

Slip!

Whooooa!

Slide!

Our food's gone.
Now what?

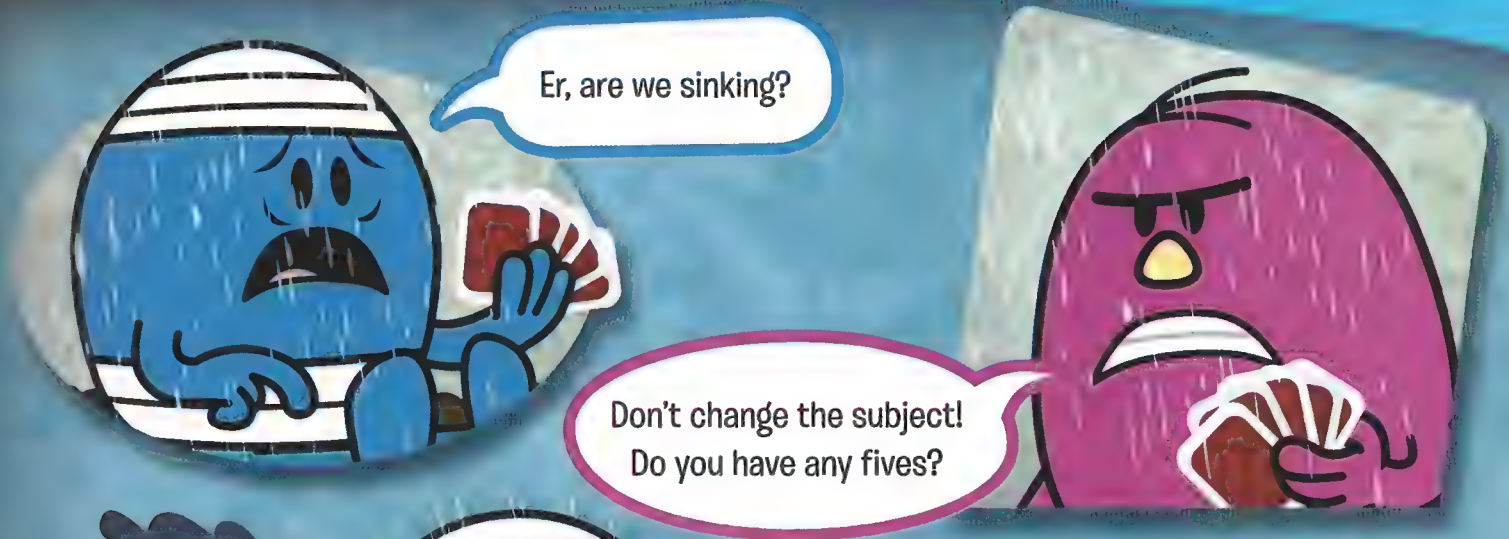

Splodge!

How about a game of cards?
Do you have any fives?

No.

Yes, you do.
I am never wrong.

Er, are we sinking?

Don't change the subject!
Do you have any fives?

We **ARE** sinking!

A five! Hah!
I am never wrong!
I win!

Oh, poopity
poop ...

Gloop!

Spludge!

Mr Pernickety's

Sofa

My new sofa is magnificent,
Little Miss Calamity.
It's pure wool, from
very exclusive sheep.

But wool shrinks, Mr Pernickety.
One drop of water, and
it'll be ruined!

There's a leak in my roof.
I need you to repair it!

Sweet Henrietta! Oh no!
Mr Strong's Roof Repairs?
Come quickly!

Drip!

plop!

Hmm, this looks bad. I'll
take a look on the roof.

Up we go!

I'll just test the ...
oops!

I'll take the roof
for repair.

What are
you doing?

It'll be OK,
don't worry.

Aargh!

My beautiful sofa!
I think I'm going
to faint ...

Mr. Quiet's Umbrella

Sigh! Umbrellas can
be tricky.
Very tricky.

Mr. Lazy's

Teeth Cleaner

Mr Lazy doesn't lift a finger unless he has to. He has all sorts of gadgets and gizmos to reduce his workload to less than zero. Take a look at the rain-powered contraption that operates his toothbrush while he sits back in his loungeer ...

Messy,
not dressy!

Mr Messy is a mess on legs!

Use a ~~pink~~ pencil or crayon to scribble-draw him, using this picture as a guide. Then write your name on the line.

Mr Messy by _____

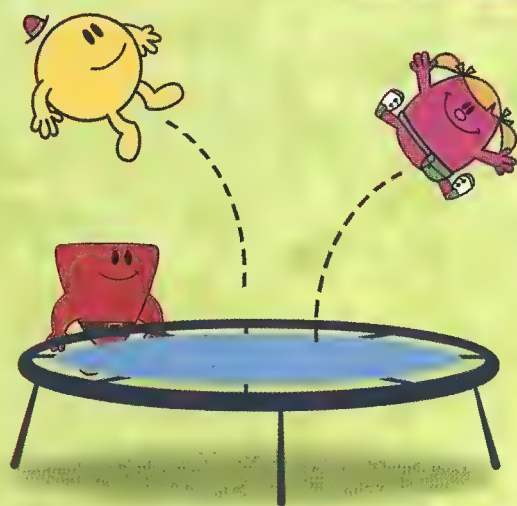

Physical

Ah, physical activity. There's no end to the types of exercise enjoyed by the Mr Men and Little Misses of Dillydale.

Everyone in Dillydale takes part in some form of exercise ... even Mr Lazy, who rarely lifts a finger unless it's in the general direction of his TV remote control.

This is one of the rare occasions on which Mr Lazy did lift a finger to activate his TV.

Which part of Mr Lazy has moved in picture 2?

Answer: Mr Lazy has opened his mouth to say, "That was exhausting!"

Mr. Lazy's

Aerobics Class

In light of his extreme laziness, Mr. Lazy was the last person Little Miss Chatterbox and Mr. Tickle expected to teach their aerobics class ...

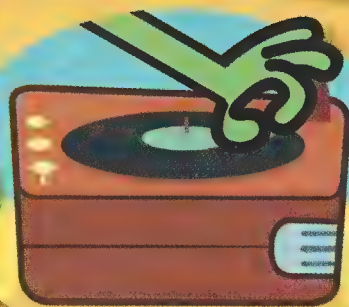

Are you ready to sweat?

We are!

OK, I'll start the music.
Good luck with that.

Oh yes, I love this!

Feel the burn!

Oh, the music's going faster and faster!

Car Park Puzzle

There's a big game at the Dillydale Sports Centre today, and the car park is full to bursting.

How many cars are the same as this one? Count, and write the number.

How many cars match this one? Count, and write the number.

Are there 5, 6 or 7 of this car? Circle the number.

Answers: a. 4; b. 5; c. 6.

I Love My Deltoids!

Kiss, kiss! Mr Strong is very proud of his
super-strong deltoid muscles!

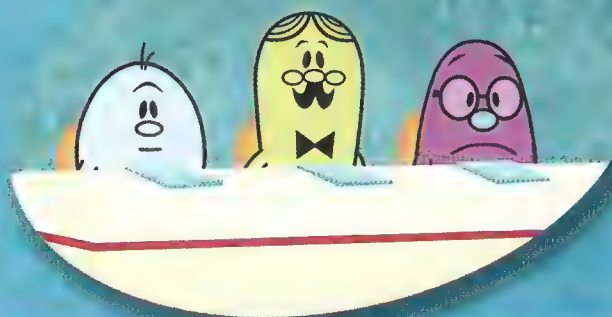

Which of these shadows matches his picture?

Answer: shadow 4 matches Mr Strong.

The Dillydale Gymnastics Contest

Competition was fierce to win first prize at the Dillydale Gymnastics Contest, where Mr Quiet, Mr Pernickety and Mr Nervous were the judges.

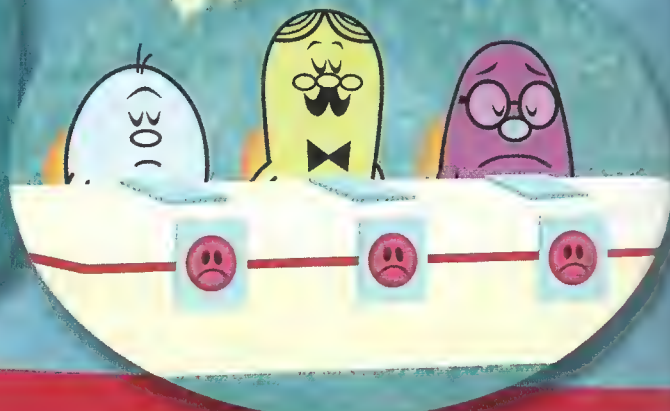

First up was Little Miss Daredevil, who zoomed up to the rings, missed, and promptly disappeared.

Woohoo!

The judges gave their verdict ...

Next!

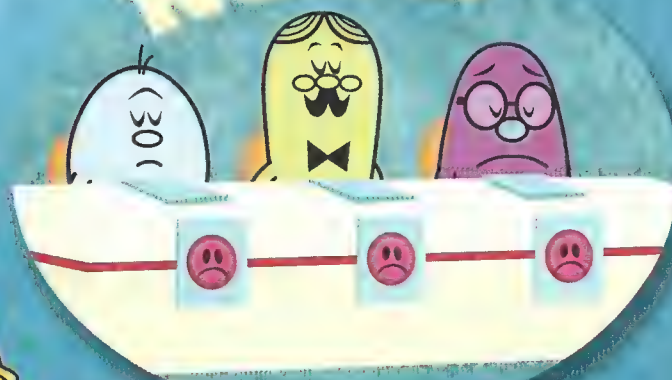

When Mr Scatterbrain wrapped himself up in the ropes, the Judges' verdict was unanimous ...

Ooo, er! Toast.
Hamster. Macaroni!

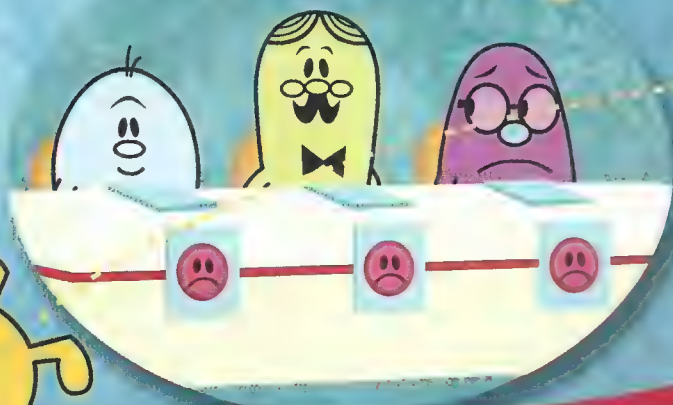

Next!

Wheweee!!!
Hello, goodbye!

Next!

Mr Bounce bounced on to the rings ... then bounced off again. Another failure.

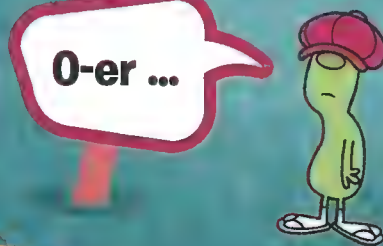

Mr Small couldn't even reach the rings, so he was out ... and Mr Lazy made no effort at all.

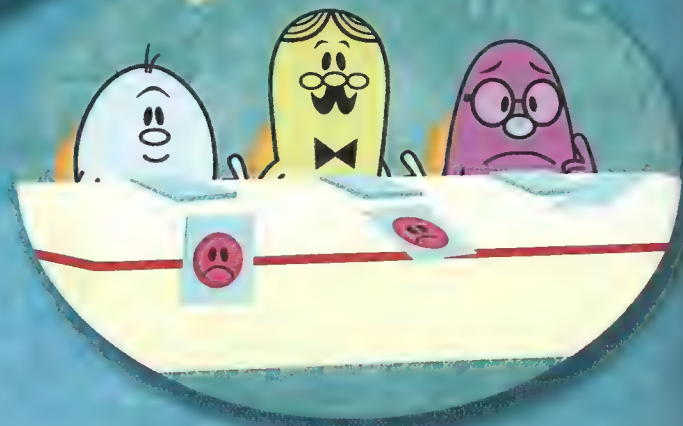

Tut!
Great Macgillicuddy!

O-er ...

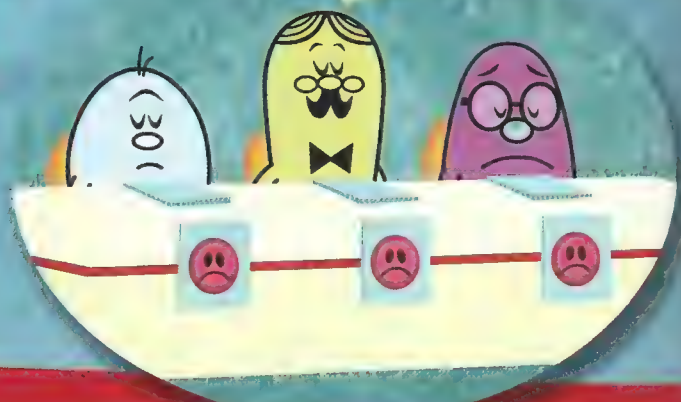

Next!

Little Miss Whoops tripped and fell over before she even got to the rings. What else could the judges do?

I'm a trained professional.
Whoops!

Next!

The final contestant was Mr Strong. He leapt up to the rings, then fell down, ropes, frame and all.

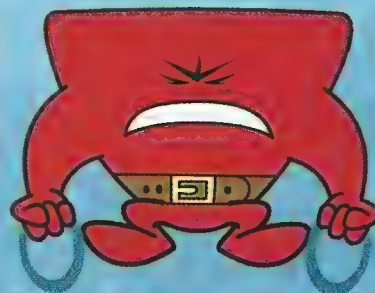

Ha-ah!

Good thing I came along.

Creak!

Crack!

That was impressive!
At last, the judges had
a performance to mark!
Their verdict? One,
two, three smiley faces.

And the winner is ...

Mr Strong!

MR. BOUNCE'S

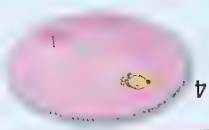

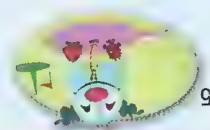

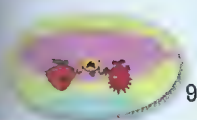

Hole in One

When Mr Bounce hit the zoom ball, the last thing he expected was that it would hit him back! **OOF! BOING!** Off he flew! Little Miss Scary and Mr Rude were rather surprised when he landed in the middle of their game of Crazy Golf, scoring a hole in one ...

Write a number for each picture to tell the story in the right order. The first one is done to get you started.

The Dillydale Relay Race

It's the day of the annual Dillydale Relay Race. Let's hand over to our sports reporters, Mr Happy and Little Miss Sunshine, who will introduce us to the teams, and talk us through the race ...

Good morning, Dillydale!
Let's meet our teams.

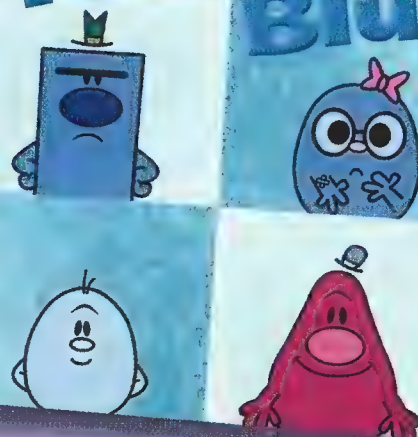

Team Orange

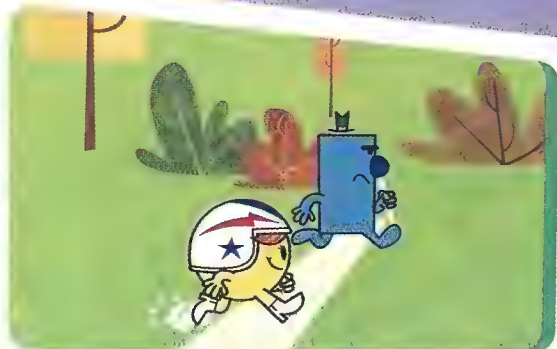

"Racing for **Team Orange** are Little Miss Daredevil, Mr Strong, Little Miss Scary and Mr Pernickety," says Little Miss Sunshine.

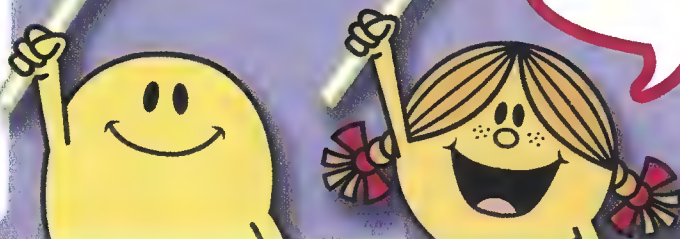

Team Blue

"In **Team Blue** are Mr Grumpy, Little Miss Whoops, Mr Quiet and Mr Scatterbrain," Mr Happy tells viewers.

They're off!

"Little Miss Daredevil and Mr Grumpy are neck and neck," says Mr Happy. "But look, Mr Grumpy has run into trouble ..."

Hmph!

"And now Little Miss Whoops has dropped the baton!" says Little Miss Sunshine.

Whoops!

Hmph!
Crooked
cucumbers!

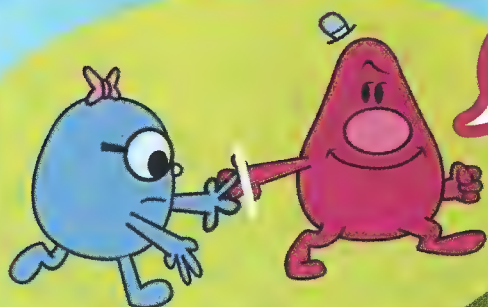

"**Team Orange** are ahead!" says Mr Happy. "Mr Strong has the baton, and he's running at top speed to pass it to Little Miss Scary."

Good thing
I came along!

"In **Team Blue**, Little Miss Whoops hands the button to Mr Scatterbrain. Look at him y!o!" says Little Miss Sunshine. "He's catching up with Little Miss Scary!"

Here I am!

I've never seen Mr Scatterbrain's feet move so fast! Oh, I can't bear to look!

Neither can Mr Scatterbrain, now he's seen Little Miss Scary's mask!

Boo!

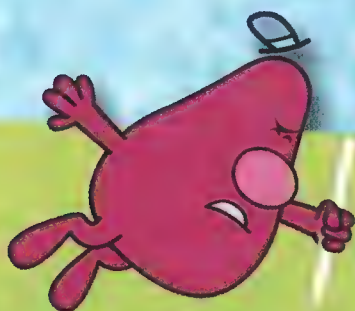

Ooo!

"Poor Mr Scatterbrain has run off in the wrong direction after that fright!" cries Mr Happy. "But look, Little Miss Whoops has spun him round again, so he's facing the right way!"

Well, I am a trained professional.

*In **Team Orange**, Little Miss Scary passes the baton to Mr Pernickety," says Little Miss Sunshine.

Toast. Hamster. Macaroni ...

And back with **Team Blue**, Mr Scatterbrain has tripped!" says Mr Happy. "Oh, no, he's lost his baton in a bush!"

"Now Mr Pernickety is ahead," says Little Miss Sunshine. "But here comes Mr Scatterbrain, and he's back in the race."

Oh, no! Mr Scatterbrain has scooped up a **skunk**, not the baton! It smells awful, and he's going to hand it to Mr Quiet!

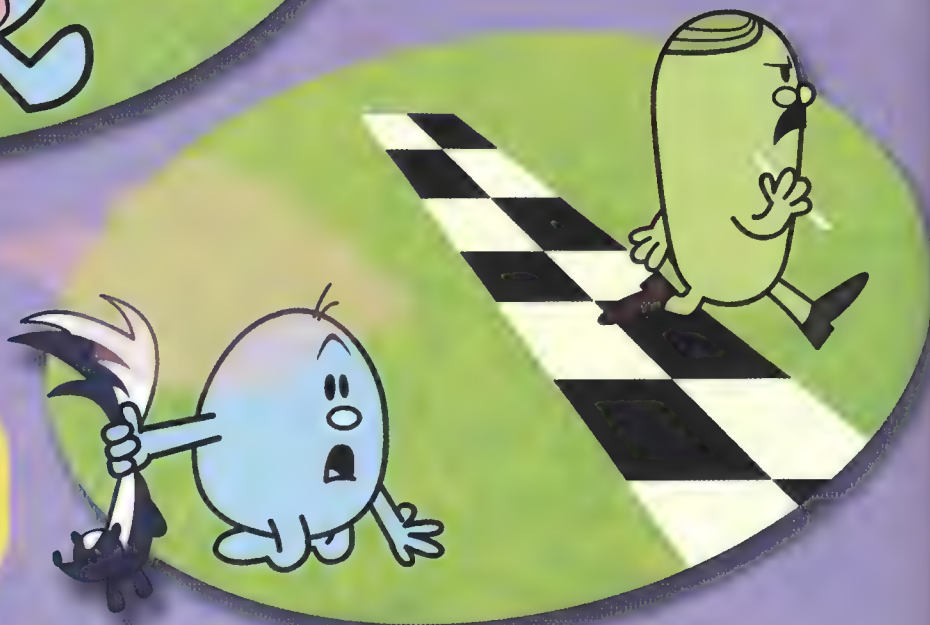

Eww! Eww!
Peeyoo, peeyoo,
peeyoo!

"Poor Mr Quiet is in trouble ..."
says Mr Happy.

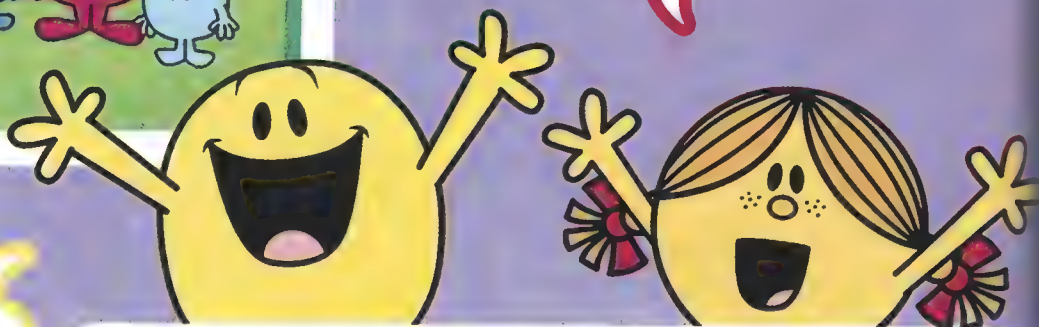

"Leaving Mr Pernickety to cross
the line for **Team Orange!**" cries
Little Miss Sunshine.

I think I'm going to faint ...

Hooray for everybody!
Team Blue lost by a nose.

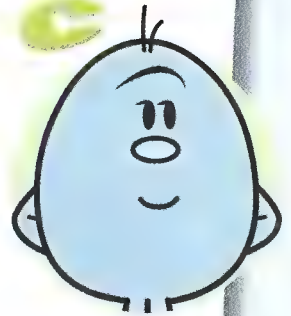

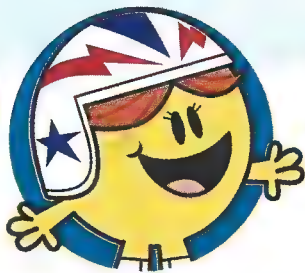

More like a **tail**
I think!

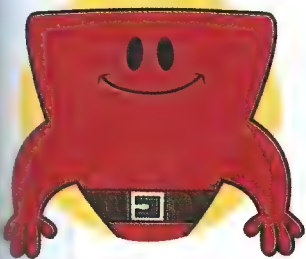

Team Orange, Team Blue

Draw lines to match the Mr Men and Little Misses to their relay race teams. Use **orange** for **Team Orange** and **blue** for **Team Blue**. Look back through the story to help you. The first line has been drawn for you.

Answer: Team Orange are a, d, e and h. Team Blue are b, c, f and g.

What's Missing?

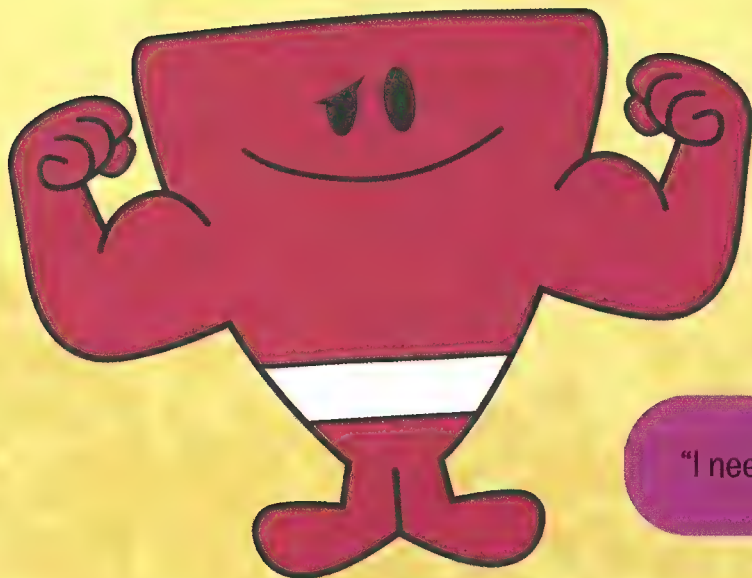

Sometimes, Little Miss Naughty just can't help herself!
Draw and colour in the things she has hidden
to complete the Mr Men and Little Misses.

"Great Macgillicuddy!" says
Mr Small. "I can't go out
without my **top hat!**"

"Just looking for my **...**"
says Mr Nosey.

"I need my **belt**" says Mr Strong.

"Whoops! I lost my **hair bow**,"
says Little Miss Whoops.

"Toast! Anyone seen my **hat**?"
says Mr Scatterbrain.

"Sweet Henrietta! I need my **glasses**
and **bow tie**," says Mr Pernickety.

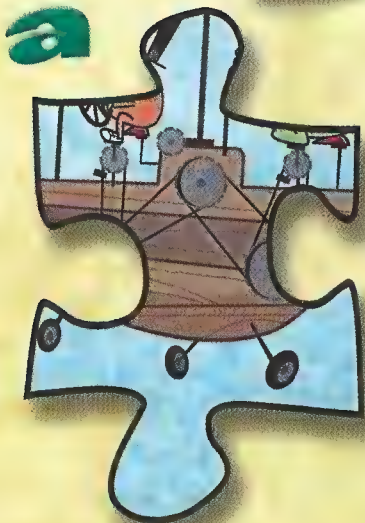

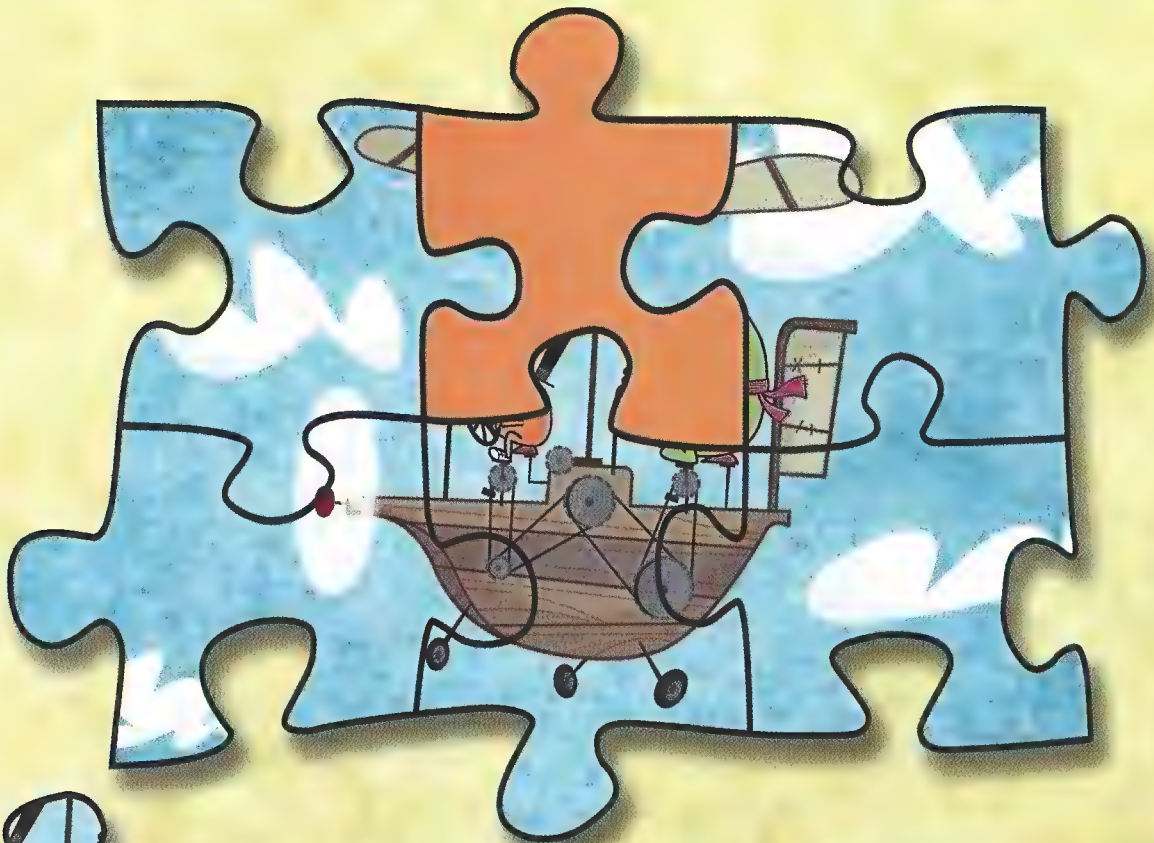

"I lost my **toothbrush**," says Little Miss
Calamity. "What a calamity!"

Just Looking

Mr Nosey is rarely seen without his trusty friend, Mr Small.

Which piece is missing from the jigsaw picture of their amazing flying machine?

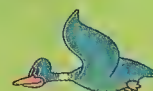

Answer: piece b is missing.

Farm

The farm. With its vast fields, humble barns and hungry livestock, this hive of activity is held together by the able hands of its farmers.

It's not easy running a farm, but to some, there's no better way of life ...

How many birds can
you see down on
Dillydale Farm?

Good luck with that!

oh dear,
oh dear

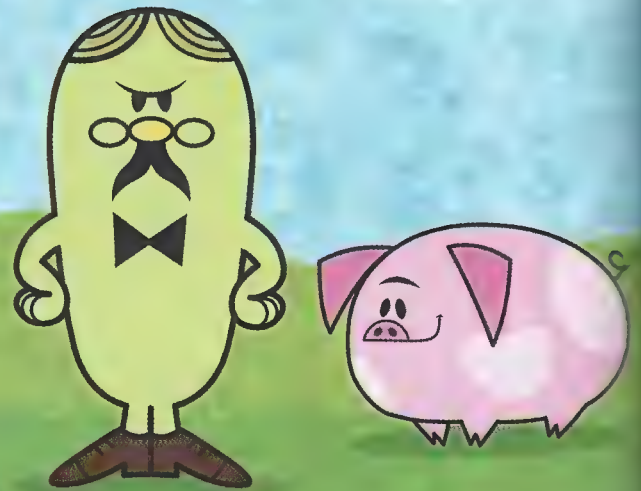

There are birds.

Answer: there are 9 birds - 6 chickens,
2 ducks and 1 crow.

Mr. Pernickety

Feeds the Pigs

Farming is wonderful,
unless, of course, you're
Mr Pernickety, and you've been
asked to feed the pigs ...

Here you go, Mr Pernickety.
The pigs are waiting.

Oh, but Miss Helpful,
that food is rotten!

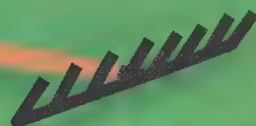

The pigs like it that way.
Better hurry, they're hungry.

Slimy tomatoes, mouldy cabbage,
putrid pea pods. Oh, what a stench!
This is the last time I visit a farm.

Oh, Mr Pernickety,
watch out for the rake
I left on the ground ...

Whoa! Thank you **so**
much, Miss Helpful.

Aaaarrgh!

SPLAT!

Oink!

How revolting!
I think I'm going to faint ...

Oink!

Odd COW Out

To the untrained eye, Mr Grumpy's cows may all look the same. But one likes to be different, and stand out from the herd.

"Crooked cucumbers!" says Mr Grumpy.
"Which one is it?" Can you spot her for him?

Mr. Scatterbrain's Buckets

"Toast. Hamster. Macaroni," says Mr Scatterbrain. He needs every bucket, jug, bottle and bowl he can lay his hands on when he helps Mr Tickle to milk Mr Grumpy's cows. How many buckets can you count? Write the number in the box.

Tickle, tickle ...

There are buckets.

Answer: there are 11 buckets.

Mr. Bump

and

Little Miss Whoops

Go Haymaking

Down on the farm, haymaking is a pleasant summer pastime - unless Little Miss Whoops is at the wheel of the tractor ...

M-M-Miss Whoops, are you sure you know how to drive a tractor?

Of course! I'm a trained professional. Just keep loading the hay, Mr Bump.

"It's the simple things I find most difficult," said Mr Bump, as he picked up the heavy hay bales and threw them on to the trailer. But when Little Miss Whoops sneezed - "Whoops!" - calamity struck!

Uh!

Atishoo!

The hay bale bounced off the trailer and landed on Mr Bump!

Bounce...

boing...

Aargh!

splat...

thud!

You lost one!
Never mind,
I've got it!

I do so love the
great outdoors.

Little Miss Whoops headed off over the hills on the tractor, and Mr Bump was forced to roll along behind her, circus-style - until he lost his balance and fell off the hay bale ...

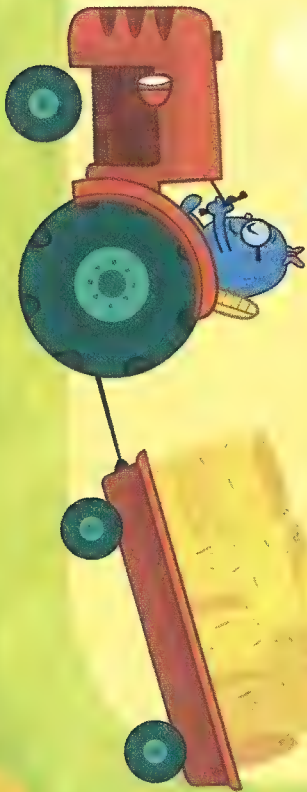

Ow!

When Mr Bump finally caught up with the tractor, he smiled happily – until he saw that Little Miss Whoops was steering straight towards the tallest hill in all of Dillydale.

Aah!

Just smell that fresh air, Mr Bump.
I do love the great outdoors, don't you?
There's nothing healthier than working the land!

But does the land have to
include this hill, Miss Whoops?

All I can smell
is my fear!

ping!

Suddenly, the metal pin that fixed the trailer to the tractor came loose, and the trailer plunged down the hill, taking Mr Bump with it.

H-e-e-e-l-p!

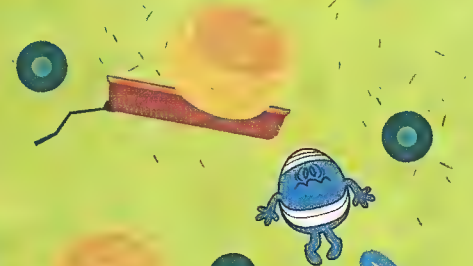

Crash!

Bang!

Thud!

Bump!

This is no time to play, Mr Bump. Remember, I'm a trained professional, and we've got a job to finish!

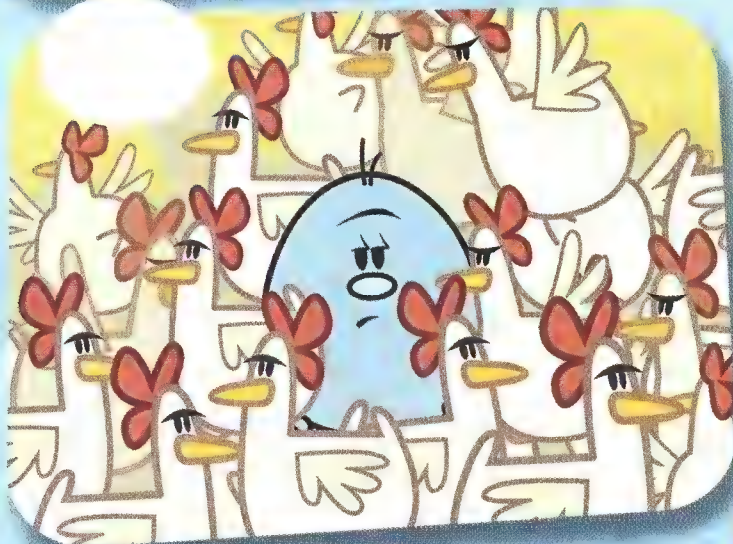

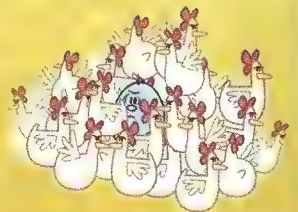

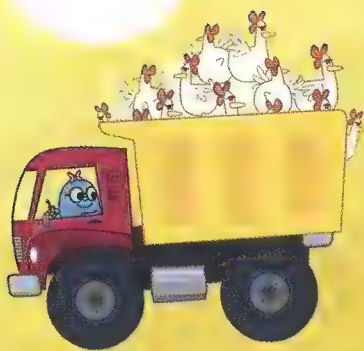

Poopity poop!

Tell a Story

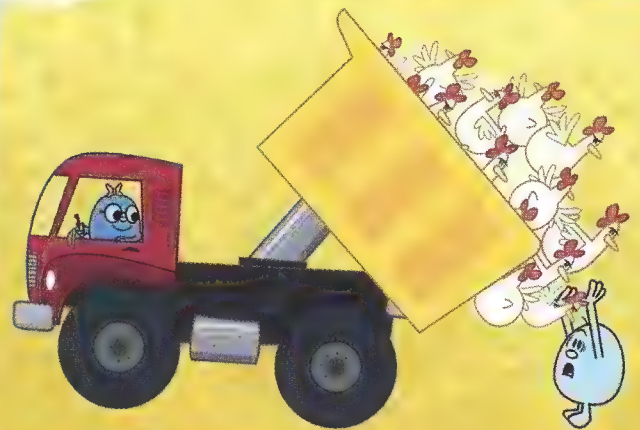

Letting Little Miss Whoops drive the tipper truck is rather risky!
Write numbers to put the pictures in order, then tell the story,
making **cluck, cluck** noises!

MR. GRUMPY'S

Corn Field

Mr Grumpy was very proud of the corn growing in the fields at Dillydale Farm.

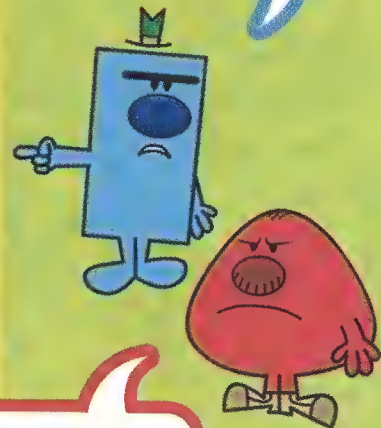

It looks good enough
to eat!

But unfortunately for Mr Grumpy, the crows thought the corn looked good enough to eat, too, and decided to help themselves!

Crooked cucumbers!
I need your help, Mr Rude.
Can you get rid of the crows?

'Course I can.
Watch this ...

ZZZZZZZ...

All-Beak-No-Brains!
All-Beak-No-Brains!

Gark!

The crows knew just how to deal with Mr Rude's robot. Some well-aimed bird droppings did the trick, and put him out of action!

Take your talking tin can and scram!

Can **you** get rid of the crows for me, Little Miss Helpful?

Say no more.

brrrm,
brrrm!
swish,
swish!

Stop! You're mowing down all my corn!

I know, and when it's gone,
the crows will go, too.
Problem solved.

Aaargh!
Get out!

Little Miss Scary, can **you** get rid of the crows?

They don't call me scary for nothing. Let me at 'em.

Oh, I love fear.

You're scaring the **CORN** away, not the crows!

Cark!
Cark!

Oh, drat!
Crooked cucumbers!

LITTLE MISS SCARY

Little Miss Scary is a master of disguise!

Can you draw a mask for her to give her fellow Little Misses a fright?

SCARY!

Bugs

Among the many creatures with whom we share our Earth, none are more creepily crawly than bugs.

That doesn't mean that everyone dislikes bugs. Some Mr Men and Little Misses celebrate their six-legged friends, no matter how scary they may be.

"Big bugs are scary," said Mr Nervous when he saw a **big** bug on one of his flowers.

Draw and colour in bugs on the other flowers to make him **REALLY** nervous!

The Tickle Express

Did I miss the bus?

No, it's not here yet,
is it, boys?

Do you always travel
with ants?

Yes, they don't like being
left at home.

Beep!

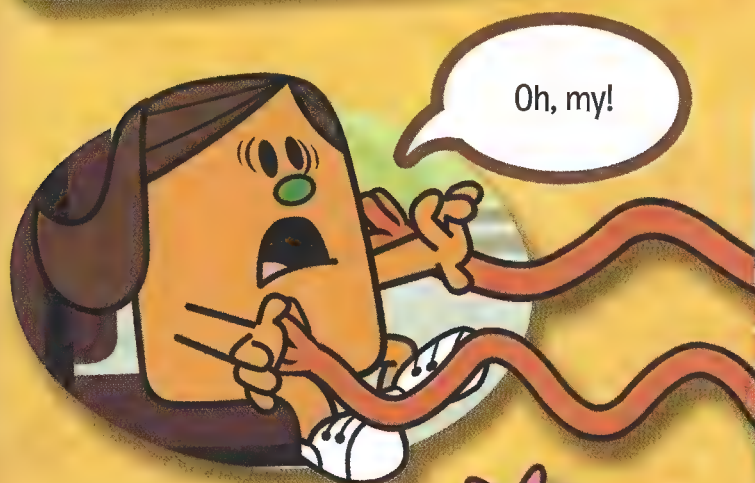

All aboard the
Tickle Express!

I think I'll sit here,
away from the bugs!

Someone needs
a tickle!

Oh, my!

Please don't hit
so many bumps!
My ants get travel sick.

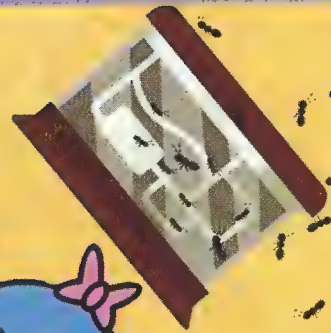

Here comes

tickle!

No! Hands on the wheel!
Hands on the wheel!
Mayday! Mayday!

Bump!

Whoops!
My ants!

Oh, stop it,
stop it!

At last! I'm glad that's over!
What a calamity!

Sorry about
your ants.

Oh, they'll come back,
once they stop tickling
Mr Tickle!

**Tee,

This isn't tissue!
It's sticky!

My moustache!
I think I'm going

So, order your Super Sticky Flypaper
today, and say **toodle-oo** to bugs ...

Termites

Little Miss Chatterbox and Mr Stubborn were enjoying their game, until ...

One, two, oh, I just squashed a termite!
Ew, yeuk! At least I think it was a termite.
They eat wood, right? I mean, look, it has all those little
teeth that still have little bits of sawdust in them and ...

Hmmph.
I do not have termites,
and I am never wrong.

Well, I may not be a bug expert, but to make a long story
short, I did see a programme about them on TV once.
So I do think I know a termite when I see one and ...

Do you know that termites are like bees?
They have a queen who can lay 1,000 eggs a day!
I bet she gets really tired and ...

Enough! Less chat,
more game.

Then something happened that really did give Little Miss Chatterbox something to chatter about ...

Ooh! I think a termite just ate my chair!
